SUBJECT: MTCR DEMARCHE PRESENTED TO BELGIANS

REF: STATE 134060

(U) The Belgians have promised a thorough "and sympathetic" review of points outlined in reftel demarche. The MFA will convey the Belgian position to us as quickly as possible. In a recent conversation with Polcouns, Belgian MFA Non-pro Director Bauwens noted also that he looked forward to the upcoming meetings in Denmark and to renewed contacts with the U.S. delegation.
